What types of treatment and examination expenses are covered?

Have you had an accident? Contact the Pohjola Health Advisor service

Get free medical advice and a treatment needs assessment from a Pohjola Health Advisor. If necessary, our healthcare professional will book you an appointment with an online doctor or our partner clinic.

The Health Advisor will check what your insurance policy covers when you use medical services subject to charge, and handle the claim for you. At the appointment, you will only pay the deductible for the treatment if there is a deductible.

If there is no need to visit a doctor, you will receive clear instructions for home care, ensuring a speedy recovery.

Outside service hours and in an emergency, you may visit any clinic or hospital to receive first aid. In these cases, you must first pay the expenses yourself and then file a loss report in OP-mobile or at op.fi.
